

FAST & FURIOUS SUPERCARS™

Faster than a speeding bullet! More earning power than all other drivers! Able to fill tall cashboxes in just a single day! It's Super Cars!

Yes, it's Super Cars! The latest driver from the prolific game designers at Raw Thrills. Super Cars delivers more racing action than any other racing game in the history of Coin-Op. To celebrate the release of this new game, a NEW Cabinet design, gives this game a footprint that can fit almost anywhere video games are operated. Super Cars is the first Raw Thrills car driver to utilize a 32" LCD panel to show off their HI-DEF graphics package. Players and onlookers will be amazed at the breathtaking attention to detail as well as the processing speed of this game enhanced by a powerful DELL computer.

Boasting 27 different race courses (NEW & re-mastered favorites), 10 NEW Super Cars, NEW Tricks, NEW Stunts and over 20 Player Achievements that unlock a multitude of upgrade options that are sure to keep players dropping coins. Player loyalty is achieved by allowing players to create their own, unique "player profile" using a numeric keypad to store their high scores, achievements and upgraded options will keep players coming back to your location. Super Cars are linkable up to eight seats for the ultimate arcade racing experience.
